

NEWEST IN RPM'S FULL-FOAM LINEUP

JADE

Spin that lasts.

SICMATRIX SURFACE

Tier 1 durable grit

Silicon carbide surface that generates elite spin and holds it, season after season.

FULL-FOAM BUILD

No core crush

Resists the breakdown and dead spots of older paddles. Plays the same all season.

MPP FLOATING CORE

Consistent power

Explosive, predictable power with control and forgiveness across the face.

AXIAL CARBON LAYUP

Predictable response

Aligned carbon fibers for stability and consistent energy transfer.

BUILT FOR

Players who want elite spin that doesn't wear down, power they can control, and predictable feel from baseline drives to fast kitchen exchanges.
