PICK A SHAPE

Elongated — extra reach and leverage for power. Singles and aggressive players.

Widebody — biggest sweet spot and quick hands at the kitchen. Control-first doubles players.

Hybrid — elongated reach with widebody forgiveness. Flat Top adds leverage; Curve Top is quicker.

PICK A THICKNESS

14mm — more pop and hand speed with a lighter feel. For players who want a lively, fast paddle.

16mm — more control, stability and dwell time. For players who value touch and consistency.

All models — 5.5" grip, 4.125" circumference, USA Pickleball approved (PBCoR .43).
